## GainTime Project

To develop professional and pedagogic competences among teachers:

- \* to develop tools; creative classes
- \* advantage of the potential of online contents
- \* class activities and laboratories (flipped Classroom)

## Context

- \* to encourage teachers developing their pedagogical competences; (“Supporting Teacher Educators for better learning outcomes” (2013))
- \* quality of teaching and learning in school; ‘Opening Up Education’
- \* development and the availability of Open Educational Resources (OER); (COM(2013) 499 final)
- \* 70% of the teachers in UE acknowledge the importance of lifelong learning.

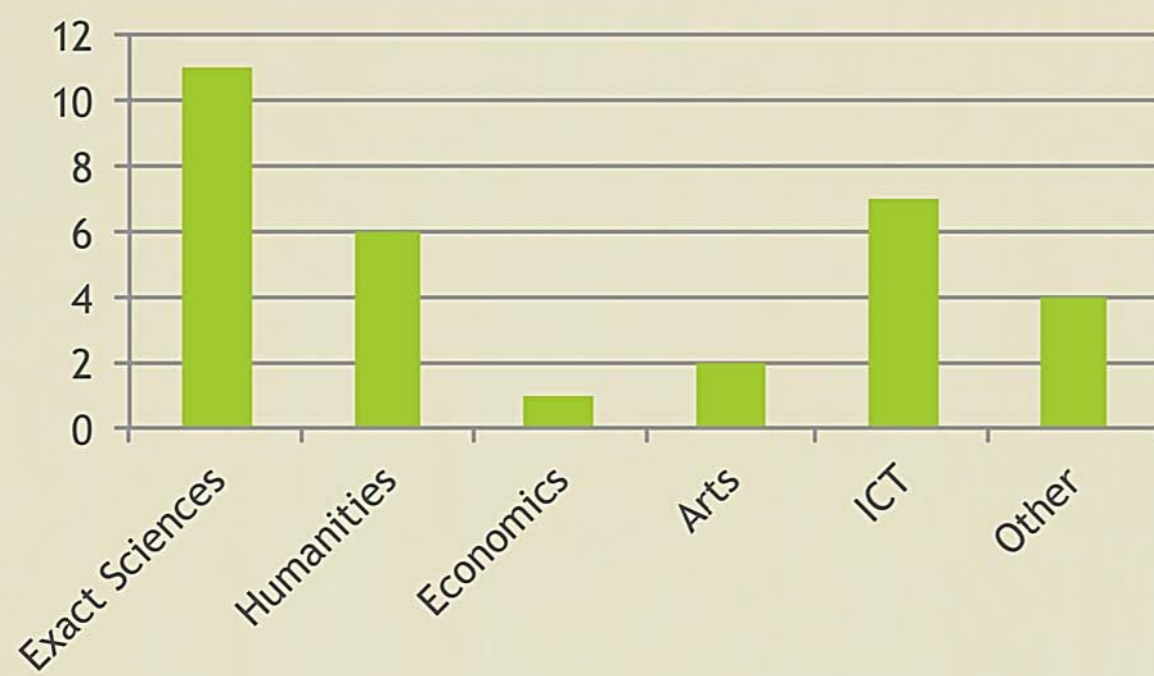

## Master Model Handbook

Chapters of the handbook:

1. Creative classes
2. Teachers-Innovators
